SKELETONS DANCE AND SHAKE IN THE NIGHT!

Pumpkins squeal with a shriek of delight
Bats flap and frighten as they take flight
Ghosts wail, flail, and disappear in the light
Black cats hiss and dash from sight

The moon peaks up, a crescent with no fall
If anyone needs a mortgage, we're here for your call

HAPPY HALLOWEEN TO ONE AND ALL!

PS: Each year, I draw out October's card so you can color it in and make it your own. We'd love to see your posts! Tag us **@lampsonteam** for a chance to win!
